REGISTRATION INFORMATION

A MESSAGE FROM YOUR PRINCIPAL

Dear Students and Parents:

A very special welcome to our incoming Vikings, the Freshman Class of 2022! You will find yourself becoming an integral part of the many exciting traditions at Sunnyslope High School. This packet contains essential information for you and all our Viking family. Please, read it carefully so you will be informed about the registration process and other necessary changes. Please, pay close attention to the summary of the revised process following my remarks. If you need more information, please call (623) 915-8760.

Parents, I encourage you to become an active partner with SHS. Our parent organization, the Viking Parents' Club, is an extremely positive, high profile organization dedicated to assisting us in the improvement of our school. Their work touches the lives of ALL our students.

It is a pleasure to serve as your principal.

Steve Ducey
Principal

THE REGISTRATION PROCESS

Sunnyslope High will keep the same process as last year in its summer walk-through registration process. We believe that this is an efficient process, and has many benefits for you and your family. This year, SHS will require walk through registration for all Sunnyslope students. Walk-through registration for incoming freshmen will take place on Tuesday, July 24 and the morning of Wednesday, July 25. Upperclassmen will have walk-through registration on Wednesday, July 25 through Friday, July 27 (schedule is included in this mailer). Please note the following below:

- **Only freshmen students will be allowed to go through walk through registration during their scheduled times (no upperclassmen will be allowed through walk through registration during freshmen times-no exceptions).**
- **Upper classmen will have their walk through registration times by alphabet. We will not be doing different grade levels at different times. This allows siblings to register at the same time**
- Parking Passes (Seniors only with prior completed application process)
 - Seniors may come to attendance office prior to school starting to pick up their parking pass and sign the contract. Seniors may pick up their parking passes in the attendance office on Thursday, August 2 (7:30-3:00) and Friday, August 3 (7:30-noon). Senior parking passes will not be distributed at walk-through registration.

Mail-In Registration

School starts on August 6, 2018. Since some Sunnyslope High School families will be on vacation during walk-through registration, a special mail-in registration form is available. Therefore, if you plan to be out of town during walk-through registration, but still plan to attend SHS, please complete the form below and return it to SHS before July 20, 2018. This will keep your classes intact and your registration active. Otherwise, your schedule will be dropped, and you will have to re-enroll.
