

Summer Self Portraits

Summer Assignment: Take a dozen self-portraits this summer. You will work with these portraits in Adobe Photoshop next year for several different projects like this one, the Andy Warhol Pop Art Portrait:

Requirements:

- You are the photographer and the subject, so use a timer.
- You make use any device you have to capture a photo, but the higher resolution photographs you can get from a DSLR are better for some editing techniques. Also, shoot in RAW when possible.
- Be creative and capture different sides of yourself and doing different things.
- **Due August 5, 2019**
